

CHILDREN AND HOOSIERS IMMUNIZATION REGISTRY PROGRAM (CHIRP)

This Provider Office Participates in CHIRP

CHIRP stands for the [Children and Hoosiers Immunization Registry Program](#).

CHIRP stores and updates immunization records of both children and adults in Indiana. It is confidential and secure

CHIRP **permanently** stores immunization records in an electronic format that can be easily accessed at a later time

Benefits of CHIRP:

Providers can determine when a patient is due or overdue for vaccinations based upon current recommendations

Providers can view immunization records from multiple providers

Providers can print Official Immunization Records for daycare, camp or employment

Individuals can access their own immunization records through the MyVaxIndiana portal
